HANOVER OF THE HUMANSDORP MULTI-PURPOSE CENTRE BY MEC CHRISTIAN MARTIN TO THE DEPARTMENT OF SOCIAL DEVELOPMENT

Eastern Cape Public Works MEC Christian Martin will deliver the keynote address at the Handing over Ceremony of the Humansdorp Multi-Purpose Centre scheduled for Friday, 03 April at 10 am.

The centre is a response by the Department of Public Works to the growing needs of the people of Humansdorp, enabling the local population to have direct access to the services of the Department of Social Development.

The architecture of the centre is a response to promoting effective service delivery in an uplifting and energizing environment. This has been achieved through the abundance of natural light and blue skies that one experiences as one enters the Center's circular reception area. The two administration blocks as well as a third training block that complete the centre, are all linked by outside courtyards and walkways that have been landscaped with indigenous vegetation. The design of the centre aims at achieving a suitable, dignified and contemporary solution to new Government buildings in present day South Africa.
