MEC GLORIA BARRY TO OPEN MIDDLEDRIFT TO ALICE ROAD & LAUNCH THE NKONKOBEB MATHS AND SCIENCE PROJECT

As part of the 2008 October Transport Month Programme, Eastern Cape MEC for Roads and Transport Ms Gloria Barry will officially open the Middledrift to Alice Road worth R207 million and launch the Nkonkobe Maths and Science Project at the Alice Golf Course tomorrow Tuesday 21 October 2008 at 10am.

The upgrade of this road forms part of the Department’s contribution to small towns’ development and to improve access to the University of Fort Hare, which is an internationally-renowned institution that had produced world statesmen.

The Maths and Science Project is an initiative by the Department to encourage learners, especially from previously disadvantaged communities to pursue careers in the transport sector.
