PUBLIC WORKS ENHANCING A HEALTHY WORKFORCE

The Department of Public Works is currently hosting a six day “Know Your Health Status” screening campaign at its Head Office in Bhisho. The purpose of the event is based on the philosophy that a physically, psychologically and socially healthy workforce is a more productive workforce.

The campaign is an initiative by Public Works Employee Wellness Programme, which mission is to enhance a healthy workforce. The focus of the campaign is based on the following screening/testing:

- VCT (Voluntary Counseling Testing) i.e. HIV testing
- Blood Pressure
- Blood Glucose
- Cholesterol
- BMI (Body Mass Index)

The details of the campaign are as follow:

Date: 03rd – 5th & 10th - 12th March 2009
Venue: Foyer Boardroom, Department of Public Works, Bhisho
Time: 09h15 - 15h00
