MINISTER NDEBELE AND MEC MARAWU TO LAUNCH EASTERN CAPE ARRIVE ALIVE CAMPAIGN

Transport Minister Sbu Ndebele and the newly appointed MEC for Transport, Roads and Public Works Thandiswa Marawu will officially launch the Eastern Cape 2010 Arrive Alive Campaign at the Ngcobo Stadium on Thursday 09 December at 10h00.

The launch will be preceded by a roadblock at the Ngcobo CBD at 8am.

This year’s campaign will be further strengthened by the continued implementation of the National Rolling Enforcement Plan, which targets one million vehicles to be stopped and screened per month by Traffic Officers. The Eastern Cape has a target of stopping 85 000 vehicles.

During the event, MEC Marawu will hand over 45 brand-new vehicles to provincial traffic officers, which include 18 Quantums, 26 sedans fitted with full traffic control accessories and a bakkie with a police van-typed canopy to keep offenders.

Issued by the Eastern Cape Department of Transport
