Eastern Cape MEC for Safety, Liaison, Roads and Transport Mr Thobile Mhlahlo will lead a delegation of learners from various schools within Buffalo City on an educational visit to the East London Correctional Centre tomorrow at 10am.

This visit forms part of MEC Mhlahlo’s Youth Month Programme, which promotes maximum youth participation in crime prevention activities with a particular focus on Muti Killings, Xenophobic Attacks, Gender-based Violence, Building Community-Police Relations and HIV-Aids.

It seeks to encourage youth to refrain from criminal activities through exposing them to life in prison.

These learners are from high schools such as Archie Velile (Dimbaza), Kei Road Combined, Moses Mabhida, JF Mati, Masixole, Ulwazi, Sithembiso (Mdantsane), and Uviwe (East London).

After a tour around the centre, the learners are expected to reflect on their experience and then MEC Mhlahlo and Eastern Cape Youth Commissioner Sinethemba Mashalaba will address them.
